

Memorial's Healthy Pregnancy Plan

Are you eligible?

The program is designed to offer all women access to prenatal care. Memorial's Health Pregnancy Plan does not cover the care of a specialist or extra lab work. A woman must meet the following criteria to qualify: (1) She must be pregnant, (2) She must be at or below 250% of the Federal Poverty Guideline, (3) She must not be Medicaid eligible, (4) She must be uninsured.

What services are covered by the plan?

A program fee of \$800.00 will obtain coverage for the following:

- Medical office treatment related to pregnancy including lab work.
- Maximum of 4 Medically Necessary Non-stress tests by physician
- Maximum of two (2) ultrasounds (including all x-ray types pertaining to pregnancy)
- **Prenatal visits:**
 - One (1) prenatal visit per month until 32 weeks of gestation
 - From 32-36 weeks gestation one prenatal visit every two (2) weeks
 - From 36 weeks gestation one prenatal visit weekly until delivery
- The discounted rate **DOES NOT** cover any Emergency Room or Observation charges. Fees incurred for these services will be the responsibility of the patient.
- Any additional visits or test above the allowable will also be the responsibility of the patient.
- *Recipients may be eligible for payments for the program fee by calling 229-896-8500.*
